Faith in Action "Kick off" Sunday - Sept 27, 2026!

James 2:14-26. As a Church Family we want to live, teach, model, disciple and inspire one another to a FAITH that is ALIVE and ACTIVE!

Timeline:

- *09/27-10/04 - Pray, Establish teams, Determine your Project(s)…*
- *10/04 -11/01 - Meet needs in the name of Jesus and PUT YOUR FAITH IN ACTION!*
- *11/01- 11/29 – Sharing Testimony of FAITH IN ACTION projects at Freedom.*
- *11/30 - Ongoing FAITH IN ACTION!*

- Who? Friends, Couples, Families, Life Groups, Ministry Teams, Others who partner together to put their FAITH IN ACTION.

- What? Meeting needs in the name of Jesus and putting our FAITH IN ACTION! Find a need, meet the need! While meeting that need, Share the Gospel and/or Discipling those who are in Christ! Our community shouldn't just hear about our FAITH they should SEE and EXPERIENCE IT!

- Where? Anywhere there is a need in our community… Look around. What can we do to meet a need in the name of Jesus and either Share the Gospel or Disciple someone? Needs are everywhere!

- When? The Month of Oct./Nov. (See Timeline above.)

- Why? Because Genuine, Authentic Faith is ACTIVE AND ALIVE! We live to fulfill our purpose in Sharing Christ and the Gospel as well as Disciple those who are in Christ and PUT OUR FAITH IN ACTION!

- How?

1. Establish a group or team.
2. Pray and look for specific needs you can meet in Jesus Name.
3. Meet the need. *(There can be multiple projects per team.)* *
4. Share with folks why we're doing what we do! (Share Christ and the Gospel and/or Disciple someone to greater maturity in Christ.)
5. Document* and Share project(s) with our Freedom Family.

**Detail the Project, take pics., (get permission of those you photograph), how were you able to share the Gospel, or Disciple a fellow Christian to greater maturity in Christ? Prepare to share at Freedom to inspire others to put their Faith in Action! We may put together a few short videos about projects to show at the Church.*

“Meeting Needs in the Name of Jesus!”

Pray and join God where He’s working! Look around and think outside the box…
